### **Description:**

Clearly structured and efficiently organized, we use the experience gained from around 40 years in plastics processing. Highly trained staff operate our modern machinery and process quality plastic granules into products for a wide range of applications. Thoughtful planning, consistency, and quality-oriented control are our guidelines. Responsibility towards employees, business partners and environment determines our actions. Core competences • Production of high-quality plastic products • Cutting-edge technology and experienced project managers in developing and designing customer-specific solutions • Delivery reliability • Fast order processing • Personal customer contact • Long-term relationships with customers and suppliers Read more: [www.scherer.it](http://www.scherer.it)
